Christmas in a Basket

Nancy Johnson, *Johnson's Garden Centers*

Have you ever needed a gift for a friend, co-worker or family member but had no idea what to get? I sure have. There are so many choices ... which one should I choose???

At Johnson's this holiday season, we are offering gift baskets to help make your gift shopping easier. These baskets will have a wide variety of items that are sure to please. We are offering pre-assembled baskets; or if you want to choose the items yourself we will be glad to put together a made-to-order basket with your selections.

Some new items we have this year are perfect for gift baskets and will really tempt the taste buds. We have several varieties of soups and pastas along with pasta sauces which make a delicious meal in minutes. Also there are dip mixes, muffin mixes and brownie mixes ... all made right here in Kansas.

Christmas favorites at Johnson's include Aspen Mulling Spices and Cocoa Amore Hot Chocolate. New this year is Orange Spice Aspen Mulling Spices. A basket filled with these delightful beverages would make a welcome holiday gift.

Gift baskets can be built around many themes. You just name it and we'll do it! If a gardener is on your gift list, we can build a basket to please even the most discriminating gardener. Stop by and check out our selection. Remember, if you don't see what you're looking for, please ask! We'll do our best to put together the perfect gift for your special someone!
