Gifts for Mom and Dad

Dianna Mann, Marketing Director

As I grow older and now have a child of my own, I not only appreciate my parents more, but am in total awe over everything they have done for me. That's why when it comes to Mother's Day and Father's Day I always want to give them something extra special, and I know I can find it at Johnson's Garden Centers.

Johnson's always has the perfect gift for Mother's Day. Johnson's carries a wide selection of roses in all sizes, shapes and colors. You're sure to find one to please your mom. You'll also find colorful mixed-flower planters, garden statuary, patio furniture, and cute garden gnomes. Or build your own gift basket filled with great gardening goodies. If you can't decide, get mom a gift certificate, it's always the perfect fit.

You'll find the perfect gift for Father's day at Johnson's Garden Centers, too! Choose from a Mantis tiller, a variety of trees and shrubs, gardening tools, statuary, water gardening supplies, gift certificates and much more!
